

HOW TO DRAW A CUTE TOOTH

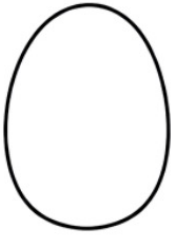

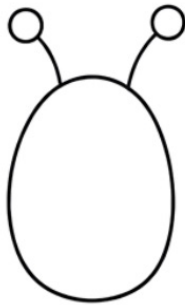

HOW TO DRAW A SUGAR BUG

- 1 Start by drawing a round or oval shape for the body.

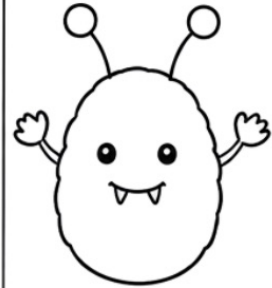

- 2 Add two antennae on top of the head with round tips.

- 3 Draw two round eyes and a small smile with two little teeth.

- 4 Add two arms with little hands waving out to the sides.

- 5 Add two short legs with round feet at the bottom.

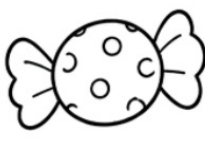

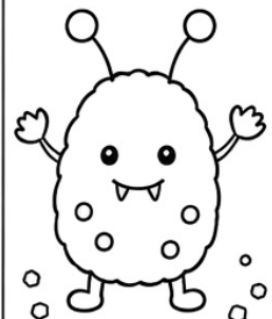

- 6 Add spots or dots on the body for extra character.

- 7 Add a few little sugar crystals or crumbs around your bug.

- 8 Your sugar bug is done! Color it in and bring your sugar bug to life!

HOW TO DRAW A CUTE TOOTH FAIRY

- 1** Start by drawing an oval for the head and a teardrop shape for the body.

- 2** Add hair with a side part and a soft curve around the face.

- 3** Draw a cute face with big eyes, a small smile, and rosy cheeks.

- 4** Add a simple dress with a rounded collar and a flared hem.

- 5** Draw legs together with little shoes.

- 6** Add arms out to the sides.

- 7** Add a magic wand in one hand.

- 8** Add wings behind her.

- 9** Your cute tooth fairy is done! Add sparkles around her!
